

LED Multi-Functional Linear Lamp

Features

- Full color spectrum
- Excellent color rendition, Ra 98
- Energy saving with low power consumption
- Length customization according to the furnishing
- * Lumen efficacy can be up to 120lm/W in Ra 80
- Higher wattage is available upon request
- Multi-functional applications for showcase, wall washer, desktop shelves or furnishing lighting
- Long average life 25000 hours
- Low thermal output with no IR and harmful UV
- No mercury and hazardous substances

Materials / Finish

- Body: Aluminium
- Diffuser: Acrylic
- End Cap: PC

Installation / Mounting

- Quick installation with two mounting clips
- Linear plug and play connection at both ends

Standards

- Designed and manufactured to comply with international standard EN60598
- Class I Electrical
- IP 20

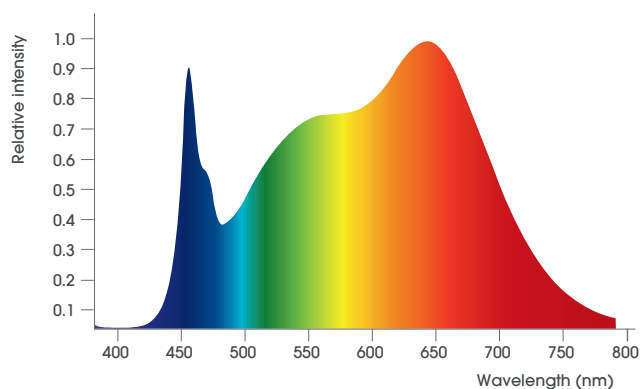

Accessories

Applications

Light spectrum distribution of NL231E-10W/936 under Ra98
